# At-Promise Work Plan

## Issues for Development

- Who are At-Promise Students
  - Definitions
  - Integrate workforce and other organization definitions of OY and others
- Building a culture of respect and safety
- Unlearning Oppression (Addressing Implicit Bias)
- What are the factors that place students at risk
- Identify protective factors (assets) of successful at-promise students
- Integrate workforce and other organizations for including/differentiating OY
- Develop a survey of at-promise youth and adult supporters to identify needs of at-promise students

## Emerging Work Plan
